## **How to Change the World with Optimism**

To All Students

Write and present a 4-5 minute speech on the topic above, and present it to judges. Get help from parents, friends and teachers. All speakers will be recognized by the Clarkston Area Optimist Club. Gift Cards as well as medals will be promised to the top three finishers 16 years and over, and 15 years and younger.

Fill out an application, which is in the school office, and give it to your language arts teacher or the school office before March 1 in order to participate. Read the contest rules, and get ready to tell the world your point of view.

Practice your talk about ten times, and you will speak better than you ever thought you could. Step out into the world and be heard! Winners move on to the state level, and the potential is there to win the International contest and gain a \$22,500 scholarship.
